I, (print name) ________________________________________________, grant the Medical Student Research Thesis Program on behalf of The Regents of the University of California (hereafter called “The Regents”) the non-exclusive right to make my Research Thesis, content for the eScholarship Repository (hereafter called the “Work”), available in any format in perpetuity.

I warrant as follows:

(a) that I have the full power and authority to make this agreement;
(b) that the Work does not infringe any copyright, nor violate any proprietary rights, nor contain any libelous matter, nor invade the privacy of any person or third party; and
(c) that no right in the Work has in any way been sold, mortgaged, or otherwise disposed of, and that the Work is free from all liens and claims.

I agree to hold The Regents of the University of California, the Medical Student Research Thesis Program, and its agents harmless from any claim, action, or proceeding alleging facts that constitute a breach of any warranty enumerated in this paragraph, and further agree to indemnify The Regents, Medical Student Research Thesis Program, and its agents against expenses and attorney’s fees that may be incurred in defense against each claim, action, or proceeding.

I understand that once the Work is deposited in the repository, a full bibliographic citation to the Work will remain visible in perpetuity, even if the Work is updated or removed. I understand that the Work (but not the citation) may be removed from the eScholarship Repository at my written request to the Medical Student Research Thesis Program.
