Go to SPSS Inc >> Statistics 17.0 and click on SPSS Statistics 17.0 Commuter License.

You see the following screen:

Once this is done you will see this box:

The check mark shows that you have successfully checked out a license.

If you end up not needing the license for the full length of that period, while logged in to the CDU network, click the Check In button and the license will be returned to the University for others to use.
