While reviewing this information, please bear in mind:
- Charles R. Drew University of Medicine and Science rarely enrolls first-time, full-time Undergraduate students. This leads to very high variation in graduation rates from term to term.
- For ALL of 2008-2009 incoming Undergraduates (78), 72% graduated or completed their programs within 150% of program length.
- CDU has elected not to report transfer-out rates because our University's mission does not include providing substantial preparation for students to enroll in other institutions.
