

Constitution Day

Constitution Day celebrates the birthday of the United States Constitution on September 17. On that date in 1787, in Philadelphia, 39 delegates to the Constitutional Convention signed the Constitution.

On Constitution Day, the United States pauses to commemorate the drafting of its Constitution. We invite all members of the CDU community to join us in making, or renewing, your acquaintance with this extraordinary document, and reflecting on its historical and contemporary significance

Federal legislation requires that all educational institutions that receive federal funds implement educational programs relating to the United States Constitution on September 17 of each year. September 17th was selected as the date for celebration due to the fact that on September 17, 1787 the delegates to the Constitutional Convention met for the last time to sign the United States Constitution and presented it to the American public.
